Safety: Safety comes first at Deeside Activity Park. All our activities are fully supervised by our experienced and qualified staff. We are Aberdeen City & Shire approved activity providers and hold the necessary liability insurance. Risk assessments are regularly reviewed and are available for examination on request. Finally, we operate a strict no alcohol until activities finish policy.

Days out: We can accommodate up to 600 participants on site at any one time. And, we have activities for young children as well as adults. Activities are run all day and guests can come and go from each event as they so wish. Food is available for an extended length of time to prevent queuing. Each individual visitor is able to make up their own event time-table on the day.

Catering: Our coffee shop isn't flash, just good, honest, quality food served by good, honest folk. Our own pedigree Aberdeen Angus beef is the main ingredient in our BBQ's and you can choose from prime ribeye steaks or our delicious homemade burgers. All other produce is sourced from local quality suppliers. Lunch runs from 12-2.30pm so you don't all have to eat at once.

Weather: We can't arrange the weather but our activities will run come rain, hail or shine. We recommend that all guests come sensibly dressed for the weather with waterproof jackets, sturdy shoes, warm jumpers and a change of clothes. Some of our events are undercover but many of the best are outdoors. So we say dress appropriately, and who cares if we get wet.
